FIFTEEN CENTS

Next week: Tuesday Night Fever!

Today's Brightener

A bank received the following brief note with a final payment on an auto contract: "Dear sirs: This should make us even. Sincerely, but no longer yours . . ."

IF THEY DON'T LOOK HAPPY it's because the picture was taken following one of the few games they lost. Antioch High's Sequoits accepted the second-place trophy after the Rockford sectional tournament last week. The Sequoits had won a school-record 16 straight games before losing to Rockford East in the sectional finals. Antioch finished the season with a 21-6 record, a conference championship and a regional title. (Photo by Andy Dugenske.)

Tickets on sale for VIP event

Ticket sales already are brisk for the 10th annual Antioch VIP dinner.

This year's event at St. Peter's social center will honor Gene and Eileen Zannini. The dinner-dance is scheduled for Saturday, Apr. 15.

TICKETS ARE BEING sold at St. Peter's rectory, the

State Bank of Antioch, the First National Bank, and the Antioch Savings and Loan Association.

The tickets are \$7.50 per person and include cocktail hour at 6 p.m., dinner at 6:30, the program honoring the VIP's and then dancing beginning at 9 p.m.

The event is expected to be a sellout, so the committee is advising persons to buy their tickets early.

Politicians feel election coming on

Next Tuesday's primary election has an unfortunate effect on Antioch. It pits Republicans against Republicans.

The Democrats like to think they're involved, too, but the real battles here aren't being waged in their party.

Consider, for example, one of the duels that has the whole town talking. It's to pick the Republican candidate for Lake County treasurer and the two choices are attorney David B. Selig and Jack "Red" Anderson.

Selig, of Lake Forest, points out that he has won the Republican party endorsements in several townships: Antioch, Vernon, Shield, Libertyville, West Deerfield, Zion and Elia. Those are seven of nine townships that have officially endorsed in the treasurer's race.

SELIG HAS RECEIVED the endorsement of the Antioch Republican Club but some members of that group are saying the endorsement wasn't unanimous. They include Hugo Holbek, a precinct committeeman.

'Godspell' opens here Saturday

The magic of "Godspell" is permeating Antioch, and the Fool's Players are inviting young and old to celebrate with them at "The Theatre in the Church" (at the United Methodist Church of Antioch) at 8 p.m. on March 18, 19, 20, 21 and 22.

"Godspell," as conceived by John-Michael Tebelak, is called "a jubilant celebration of the Gospel as told by St. Matthew."

"It's a religious experience to be felt joyously. It is a release of one's spirit into the larger heart of mankind - the belief that the passion of Jesus was to teach love and joy in the hearts of the people rather than hate and sadness," said Bryan Sorensen, director.

In staging the well-known sayings and stories of the bible, writer John-Michael calls on many theatrical devices - pantomime, children's games, charades, puppetry, vaudeville antics, the question-answer technique of minstrel shows, tap and soft show dancing, and songs and music of many kinds - folk, ballad, pop, rock, light musical comedy and dramatic.

WHILE SORESENSEN, of Antioch, directs the fast-

moving musical, Ken Smouse is producer, and the cast members are Mike Petersen, Doug Kondziolka, "Bodge" Burinski, Donna Lusch, Andrea Knickerbocker, Lee Ramey, Richard Echeandia, Jenny Beese, Roz Scheske and Keith Boehm.

Musicians are Tracy Teltz, Dean Vendl, Brian Kovach, Jeff Smouse and Jim DiTuro.

Cast and crew are from Antioch, Mundelein, Waukegan, Wildwood, Lake Villa, Druce Lake, Lindenhurst and Trevor.

Reservations can be made by calling 395-1259. Tickets are \$2.50 and are available at the State Bank of Antioch, the First Bank, and the Antioch Township Library.

"Get your ticket now for your favorite night because seating is limited," Mr. Smouse said.

TO ADD FESTIVITY to the celebration, a special "happening" has been planned. On Mar. 18 and 22 (opening and closing nights), the audience is being invited to McDonald's for a special "candlelight dinner" and visit with the cast. Special coupons will be enclosed in the program for a free beverage.

Observe 59th 'DeMolay Week'

The Millburn Chapter of the Order of DeMolay is joining more than 2,300 other chapters this week in observance of International DeMolay Week.

Mick Ditzig, son of Mr. and Mrs. Michael Ditzig, said that this week commemorates the 59th anniversary of the organization for young men 13 to 21 years of age and sponsored locally by the Millburn Masonic Lodge.

"DeMolay's goals are individual leadership training and character development," said Mick. "We also try to help better the community in which we live. Mr. Robert Sageley is the local DeMolay advisor."

Ten teenage youths founded the Order of DeMolay on Mar. 18, 1919, in Kansas City, Mo. Today there are nearly three million active and senior members.

Members of DeMolay International include actor John Wayne, former Olympic champion Bob Mathias and newscasters Walter Cronkite and the late Chet Huntley.

Persons interested in more information about DeMolay can call Mick Ditzig at 395-1040 in Antioch.

Fire station drawings are ready

Final architect's drawings for the new Antioch fire and rescue squad building will be submitted to the village board next Monday.

Mayor Michael J. Haley and the village trustees met as a committee with architect Mike Sutter this week.

Voters approved the construction of the new fire station in a referendum last December. It is hoped that the building will be completed late this year.

...And So, Folks...When We Members Of Congress Speak Of Foreign Aid What We Really Have In Mind Is

Letters

Dear Editor,

In your Mar. 8 issue, there was a very interesting letter written by a young man, Keith Radke.

I believe Keith deserves the second chance that he is asking certain of the town folk to give him.

I ALSO FEEL that his letter deserves an answer for in it are many feelings and questions that not only he, but hundreds of other young people are looking for an answer to. I don't mean to say that I have the answers, especially the ones he may be looking for, but someone should speak to him.

I am in that "other" generation between which lies a "gap" so coined by the media for lack of a better definition.

Keith, there is no "gap," just a period of time between the days that young people are searching for a niche in society and the days they finally "arrive" into reality which is the work-a-day world of responsibility.

WE ALL HAVE the same clean slate to start with.

God gave us a free will to choose between right and wrong and obeying parents and the law or following the crowd wherever "fun" may take them.

Those who chose to obey are and were called square.

Some who followed the crowd were lucky and saw their mistakes and came back "home" in time. Some died following the crowd. Some followed too far and had to be rehabilitated and then came back asking for a second chance. They were the lucky ones, too.

YOU SPEAK OF CHANGES in the town during the 18 years you have lived here.

'Great Bowling Match' planned next Wednesday

Ever hear of "The Great Antioch Bowling Challenge"? Of course not, because it's a brand new event and it will be held at 1 p.m. next Wednesday, Mar. 22, at the Antioch Lanes.

It will be a clash between employees of the State Bank of Antioch and folks who work at the Antioch Savings & Loan Association.

We get the impression that Wally Jaskowski, the State Bank's coach, is a little disturbed because the Savings & Loan has defeated his teams in both swimming and racquetball. Meanwhile the State Bank has been victorious only in volleyball.

IN A LETTER TO Tom Kelly, president of the Savings and Loan, Jaskowski said:

"You have enjoyed the Athletic Supremacy Trophy long enough. I have mustered my forces and hereby challenge you to the Great Bowling Match."

Jaskowski, who signed his letter as "executive director of the State Bank of Antioch Council of Athletic Activities," said each institution again will put up \$100 with the money going to the winner's favorite non-profit or charitable Antioch organization. In addition, the losers will pay for the bowling and refreshments.

Fortunately, for us spectators, each of the financial institutions will have five women on its team, in addition to five men.

That beats watching Jaskowski bowling against Kelly.

WHEN ANTIOCH HIGH'S basketball team returned home last Saturday, after placing second in the sectional

THE TOWN CRIER

tournament at Rockford, the community wasn't about to ignore the players' excellent season.

The three buses carrying the team, cheerleaders and fans were met at Chase's gas station in Channel Lake and escorted into and around town by two police cars, a fire truck and a rescue squad vehicle. Flashing lights, sirens and cheers closed the Sequoia's season in fitting fashion.

I RECEIVED ANOTHER of those high-pressure telephone calls from a woman trying to sell newspaper subscriptions.

I had to tell her three times that "no thanks," but I already have more reading material than I can possibly wade through, yet she just kept reciting her pitch.

If you get a call from someone trying to sell a subscription, the person isn't representing the Antioch News. That way of doing business has always been distasteful to us. We think your telephone is your own private thing and business people are imposing when they bother you with sales pitches. Maybe you're in the shower, maybe you're trying to feed the kids, maybe you're taking a nap... we think you have the right to say: "Don't call us, we'll call you."

By the way, the number is 395-5755.

I'll kiss Sophia Loren even if she isn't Irish

By JERRY PFARR

It goes without saying that there isn't a prejudiced bone in my body. I have nothing at all against the Irish. In fact, I have been known to take an Irishman to lunch.

But it bothers me, every year on March 17th, when they make such a big deal of St. Patrick's Day.

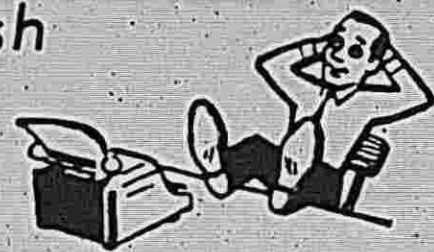

It so happens that my ancestors, and those of a lot of other folks, came over on a boat from Germany. The patron saint of that country is St. Boniface, but do you see us whooping it up on his feast day? (Sure I know the date, but I'm not going to tell you... you'll just schlock it up.)

A LOT OF IRISH may not realize it, but St. Patrick was born in Scotland and first came to Ireland very much against his will, when at the age of 16 he was captured and sold as a slave.

The patron saint of Poland, according to my friend

LOTS O' LUCK!

Casimir, is St. Joseph. I didn't think the Poles did anything zany on St. Joseph's feast day, but Stanley, Casimir's brother, said they all wear red and get zonked. (Of course, that isn't the only day.)

I REPEAT, I'm not prejudiced, but you have to admit the Irish are a little funny. The rest of us kiss girls and they kiss the Blarney Stone. (That, incidentally, is how the expression "stoned" got into our vocabulary.)

Look what they're planning for Friday. They're going to dye the Chicago River green. Some people will dye their hair green. Out here in Antioch they'll be drinking green beer and Shamrock shakes.

I've been wracking my brain, trying to come up with a significant contribution the Irish have made. Well, they've always been interested in education... they've sent a lot of saloonkeepers' kids through college.

But how about history's truly great men: George Washington, Alexander the Great, Julius Caesar, Christopher Columbus, Spiro Agnew... not an Irishman in the bunch.

IT'S THE SAME in sports. Joe DiMaggio, O.J. Simpson, Arnold Palmer, Casey Stengel... well, at least Stengel spoke Irish.

Even Notre Dame's "Fighting Irish" football team... the lineup reads like the cast of characters from "War and Peace."

No, I can't celebrate on St. Patrick's Day. It isn't in my blood.

I guess I'll just sit home and be green with envy.

This will be a typical weekend for Antioch ... all kinds of things to do.

Don't forget to take your youngsters to the village recreation department's Easter Egg Hunt at Williams Park on Saturday at 1 p.m. Both the Antioch Jaycees and the Veterans of Foreign Wars presented checks to the "rec department" to help make the event a success. Sue Koppa and Diane Mullin will do the rest.

"Godspell," that terrific musical, opens at 8 p.m. Saturday at the United Methodist Church. Since Ken Smouse and his "Fool's Players" are producing it, "Godspell" is sure to be an excellent show in its five-night run at "The Theatre in the Church."

OVER IN RICHMOND, at Andre's terrific steak house, a new comedy, "How the Other Half Lovers," is being presented. Show times are Friday and Saturday at 8 p.m. and Sunday at 3 p.m. Dinner is served from 6 p.m. on Friday and Saturday and from 1 p.m. on Sunday. Call 815-678-2671 for reservations.

As in past years, we sure enjoyed the opening of the Antioch High School's jazz ensemble production last weekend. The musical variety show will be repeated Thursday, Friday and Saturday nights at the high school, 7:30 o'clock.

Kevin Anderson does a super job as master of ceremonies and there is a lot of excellent music in the show. Jennifer Bellucci's version of "Mame" is one of the highlights.

We also liked "Send in the Clowns," by the Swing Choir, and several other numbers. Tickets are waiting for you at the door.

WE'RE ALMOST a week late, but we hope Ray Gallaher had a happy birthday last Thursday, Mar. 9. We've only met one fellow in town who can match wits

Louise Kutz marries Robert Coolidge, Kenosha

Louise Kutz, the daughter of Mrs. Harry Kutz and the late Harry Kutz, of Paddock Lake, became the bride of Robert Coolidge, Kenosha, in a double ring ceremony Feb. 25, at Christ Lutheran Church, Salem.

The Rev. Philip Borleske solemnized the wedding vows, while Dorothy Breski and John Riedenbach served as honor attendants with Lori Burns, Kay Rigert and Marge

Coolidge as bridesmaids.

Mike Coolidge, Kevin Coolidge and Mike Steckbower were the ushers.

Following a reception for 175 guests in the church the couple left for a weekend honeymoon at the Lincolnshire Resort and are now at home in Kenosha.

Louise was employed by the Antioch Township Library following her graduation from Central High School, Salem, and Gateway Technical Institute and now works for Badger Cork and Mfg. Co. Her bridegroom attended Tremper High School, Kenosha, and has served in the U.S. Army the last three years.

I also have seen many changes in the 43 years that I have lived, and I don't believe that the changes that our society have allowed, especially during the past 15 years, are improving our quality of life.

We have succeeded in casting off the "terrible Victorian" influences that had kept our people relatively honest, healthy and moral and now we are paying the price for our "new morality."

Public drunkenness from alcohol and drugs, pornography, abortion, no-fault divorce, crime by all ages and economic levels, indecent language in public, on radio, television and movies have all been successfully defended in courts of law, especially the Supreme Court of our country.

PEOPLE ARE NO LONGER responsible for what they do; it can always be blamed on someone else.

And so it is easy to see, Keith, why you are perplexed, as well as those mistaken people that treat you like dirt.

You must learn to forgive them and be patient with them until you have proved that you have jumped that generation gap and have landed in the camp that pays the bills run up by the younger generation sowing their "wild oats."

You are forgiven and we welcome you home.

Please remember what Christ said when he was nailed to the Cross to die for the sins of the world. "Father, forgive them, for they know not what they do!" His forgiveness is the ultimate cleansing of conscience and soul if you trust Him.

To the Editor:

If you have ever wanted to do something nice for a great bunch of "guys" here is your opportunity.

We, the class of '78, are talking about our wonderful seniors and the fabulous basketball season they have had.

There are several (not one or two) terrific seniors on our team and let us give a big hand to them.

These fantastic guys started out as freshmen under excellent coaching and they won conference that year. Then, as sophomores, they did it again.

Junior year was another thing as they played varsity ball against seniors from other schools. But now in their senior year they have really outdone themselves. What a great record to present Antioch High School with in their last year.

Some of the sportswriters ought to take a good look at all of the men on this team as they played their hearts out at the Grant games and most all of them were very ill with the flu... but they didn't let that stop them. Talk about spirit, wow!

Now we say thank you, guys, for giving us these wonderful memories.

THE BEST TV GUIDE we've found in this area is the one that comes with the Waukegan News-Sun each Saturday.

It has all Chicago and Milwaukee program listings and this week, as it sets around your house, the cover features "snow trailing near Antioch." It includes a dramatic color photo of Laddie Korecek, of the Antioch Savings and Loan, enjoying the wintry sport in an idyllic setting near Lake Catherine.

THE STORK CERTAINLY has been busy in these parts lately.

and Bill Georgeson, who will soon be the Republican committeeman in the new precinct called 2C.

Anderson has worked in the county treasurer's office for 19 years and some of those endorsing Selig admit they like him very much and respect the job he has done for the treasurer's office.

Meanwhile, Selig is being backed by many local Republicans because they feel he has outstanding qualifications for the job. Selig is endorsed by former governor Richard B. Ogilvie.

ANOTHER RACE OF tremendous interest here is the Republican primary for Lake County sheriff. The candidates are Harry G. Robin and Tom Brown.

Robin is Grant Township supervisor, was a member of both the Fox Lake police department and the sheriff's department and has been on the county board since 1969.

He is an extremely popular candidate with Republicans in this area, who hope he will defeat Brown so that he can challenge the incumbent Democrat, E.J. "Chick" La Magdeleine, in the general election.

THERE ARE ONLY three candidates in the Democratic primary for County Board from this district, including Frank ReCupido of Antioch. All three will advance to the general election.

But Republicans in this six-county district must choose three persons from among eight candidates.

Three are from Antioch: Joseph Otto Tobolik, R.G. (Bud) Holtz and John L. Steitz Jr.

The Antioch Republican Club has endorsed Tobolik, Holtz and Janet M. Kapischke, who, along with her husband, Elwood, runs a printing firm in Lake Villa.

Holtz is well-known here as the Antioch Township assessor. He has lived in Lake County since 1933. Holtz says he opposes higher salaries for county board

members. He has an unbeaten string as a candidate for committeeman and assessor.

THE OTHER CANDIDATES for District 4, County Board - which includes the townships of Antioch, Lake Villa, Grant, Avon, Wauconda and Fremont - are Virginia K. Harrington, Avon township clerk from Round Lake; Mitchell Stanton of Grayslake; W. Brad Muse of McHenry and Judith Marie Dechow of Round Lake.

None of the present District 4 county board members are seeking re-election. They are Lloyd (Red) Murrie, Fred Popp and George Bell.

Steitz, 38, is well-known in the Antioch area as a resort operator and 10-year member of the Grass Lake School board.

THE U.S. CONGRESSMAN from the 13th district, which includes Antioch, is Robert McClory. He is popular in the area and, because of his many years in the House of Representatives, is a powerful member of that body.

McClory is being opposed vigorously by Richard Verbie, a dentist who is the mayor of Elgin.

Verbie charged last week that Rep. McClory is "as usual trying to talk out of both sides of his mouth."

"It is difficult to hear him, when, on the one hand, he takes full credit for all federal grants coming to this area, whether or not he has anything to do with them, and on the other hand, disclaims any responsibility for federal contracts," said Verbie.

As mayor of Elgin, Verbie said he is well aware of how federal grants are obtained for cities and towns. "We have dedicated people who are expert in seeking out grants, and who make the required applications and follow through on them," he said.

"With the knowledge I have based on my experience as councilman and as mayor, and knowledge others have as well, it is ludicrous for McClory to suggest that it is through his bounty that any town or village has received a routine grant," he said.

The referendum will seek \$20 million in bonding authority from local taxpayers to complete the campus master plan for CLC. The campus is presently about one-third complete.

WE NEED TO KEEP Congressman BOB McCLORY IN THE CONGRESS!

Gerald Ford Ought To Know:

GERALD R. FORD

In this crucial election year of 1978, it is my hope that the voters of Illinois 13th Congressional District will renominate - and re-elect - my friend, Congressman Bob McClory.

I have known Bob McClory intimately since he first came to the United States House of Representatives in 1963. He has achieved a reputation as a hard worker, a sincere and dedicated legislator whose reputation for integrity and honor are recognized by those with whom he has served.

I deeply appreciated the help Congressman Bob McClory provided me as President and Minority Leader, our Republican Party, and our Nation. I feel confident that the 13th Illinois District will want to keep Bob McClory in the Congress. Bob has done a good job and will continue to do so.

Sincerely,

Gerald Ford

4 wrestlers move to state finals

The Antioch Upper Grade School wrestling Apaches competed in the 18-team Illinois Wrestling Federation sectional tourney last Saturday at Fox Lake.

"The team did an outstanding job, and captured the third place trophy, only narrowly missing second," said Coach Ken Anderson. "The Apaches had only 14 entries in the tourney, and had six place winners, against some competing teams who had as many as 30 entries."

The Dundee Highlanders placed first and Batavia Wrestling Club second.

THE UPPER GRADE qualified for boys to advance to the state finals at MacArthur High School, Decatur, on Friday and Saturday.

The state tournament will match the champions and runnersup from nine sectionals held in the state.

The Antioch qualifiers are: Greg Pahlke, 95 lbs., 8th grade; John Wohlfeil, 100 lbs., 8th grade; Andy Lehn, 112, lbs., 6th grade; George Besette, 118 lbs., 7th grade.

Tad DeRousse, 80 lbs., and John Oelkers, 95 lbs., both placed third and are in 7th grade.

BESSETTE LOST ONE match in the sectional tourney by a score of 2-0, against an opponent who was fourth in the state last year, and who had a compiled record of 98 wins, four losses, and 88 falls.

Grade school band parents vote for trip

By BONNIE BORLA

Band parents at last week's meeting voted on a trip to Springfield, Ill. to be taken early in June.

Due to mixed feelings among many band parents a trip to the Kentucky Derby Festival had been cancelled.

More details for the trip to Springfield will be given at the next meeting.

A COMMITTEE was formed to help select a senior at Antioch High School to receive the Chester Golonka Memorial music scholarship. It is given to a senior in band or chorus who plans to go on with music in college.

The band parents also voted to buy new cases for two school instruments.

WE WOULD like to thank all the people who purchased tickets from us to see "How the Other Half Loves," presented at Andre's Steak House in Richmond. Those who didn't purchase tickets missed a night of good food and a lot of laughs.

We all had a great time while helping the band make a little extra money. We would like to thank people who made donations to the band because they could not make the program.

## Date set for Cotillion

By PHYLLIS BUCAR

The Antioch Mental Health Association will hold its annual Cotillion on Saturday, Apr. 29 at the Lincolnshire Marriott. The music will be by a group called "The Lavender Pond."

The proceeds of this year's Cotillion, as in the past, will go to the handicapped children of Lake County.

Grove School in Lake Forest, for severely handicapped children, is one of the schools the mental health association has supported for many years.

Grove School occupies three buildings and a new residential center.

The residential center includes a swimming pool, a diagnostic center and therapy rooms. The Antioch mental health group has done much toward equipping the therapy room.

The mental health association also donates to the Lambs Farm in Libertyville.

Mrs. Ray Lorenz is chairman of this year's Cotillion and Mrs. Philip Cirone is co-chairman.

MASTER OF CEREMONIES for "Cabaret '78" at Antioch High School was Kevin Anderson, whose clever performance reminded some in the audience of Joel Grey in the Broadway musical, "Cabaret." The show presented by the school's Jazz Ensemble, opened last weekend and will be repeated this week, Thursday, Friday and Saturday, with curtain time at 7:30 each evening.

Training included survival techniques, snowshoeing, skiing, survival shelter construction, air-delivery of supplies, unit tactics and live firing of personal and supporting weapons. ## All about town

By LINDA WALKER

St. Patrick's Day marks the first anniversary for Jackie's Hallmark. Seems it's going to be a quiet event, though, as Jackie is busy with final details for her son's wedding.

Well, we're aware of the milestone and wish continued success to the attractive greeting card and office supply store.

**SPEAKING OF anniversaries**—Guys & Dolls Hairdressers completes their second year in business. Audrey and Pat invite both men and women to join in the celebration by taking advantage of their perm special.

There are lots of additional surprises for all customers during their anniversary week, starting Mar. 19, but I can't tell you what they are because they won't even tell me.

**GEORGE BRADDOCK** and his son, George Jr., received an appreciation award from the Texaco Company for their clean service station in Orchard Shopping Plaza.

I guess their friendly customer service and outstanding gasoline station record has been recognized. George Sr. is beaming from ear to ear and has the plaque proudly displayed in his office.

**BEING FROM IOWA**, I get harassed a lot about the road conditions of the corn state. But highway 132 from Lake Villa to Lindenhurst makes the county truck roads in my former hometown seem like skyways.

Hope they fix the holes soon; my truck can't take it.

**FRIDAY EVERY PERSON** will boast of a little Irish blood.

Well the corned beef and cabbage will abound throughout town with green beer tempting your taste buds.

Check today's paper for loads of Irish fun. And, of course, the luck of the Irish to you.

**FIRST PLACE WINNERS** in the "Klondike Sled Derby" were Cub Scouts from Pack 191, who defeated teams from 12 other districts in pulling sleds loaded with camping equipment. They were honored at the pack's Blue-Gold dinner at Antioch High School. All are Webelos (ranking between Cub Scouts and Boy Scouts) and their leader

is James Zajac (right). The Klondike champs were (from left to right) Kelly Geist, Ron Noethling, Steve Schmakel, James Bachochin, James Zajac, Steve Woolard, Mike Ocwieja and Bob McKee. Their sponsor, the State Bank of Antioch, furnished the meat for the 200 persons who attended the Blue-Gold banquet.

## names IN THE NEWS

**SAN ANTONIO** - Airman Patrick S. Nolan has graduated at Lackland, Tex., from air force basic training.

His father, John J. Nolan, lives at 843 Tiffany Road in Antioch.

**GATHERING AT THE BLUE-GOLD** banquet for Cub Scout Pack 191 were leaders of the group, which is sponsored by the State Bank of Antioch. Seated (left to right) James Zajac, assistant cubmaster and Webelos leader; Carole Whitney, committee chairperson; Linda Moore, treasurer, and Bob McKee, cubmaster. Standing (from left): Bill Groeninger of the State Bank of Antioch; Jerry Proctor, Dick Roll and Greg Neul, members of the committee, and William E. Brook, president of the State Bank. The bank gave each boy a scout pennant.

## St. Peter's wins basketball meet

St. Peter's 8th grade basketball team scored a 51-50 victory over St. Bede of Ingleside Saturday night in the Fox Valley conference tournament finals.

St. Peter's led by a score of 25-14 at halftime.

St. Bede closed the gap in the 3rd and 4th quarters, resulting in an exciting finish.

**HIGH SCORER** was Tim Higgins, chalking up 20 points. Butch Zannini scored 10 and Don Mentone and Phil Kaht 8 each.

St. Peter's also took first place in the cheerleading competition with 12 schools represented.

Two conference all-star players from St. Peter's, Zannini and Kaht, played in Sunday's all star game at Round Lake High School between the North and South divisions of the conference. The North Division all-stars won 51-46.

# McClory anticipates okay for dredging

Approval of dredging operations in the Fox Lake-Chain of Lakes area is hoped for as a result of a meeting hosted in Washington last Wednesday by Congressman Robert McClory.

At the joint request of the Chain of Lakes-Fox River Commission and the Illinois Water Resources Commission, the congressman hosted the two-hour session in the Rayburn House Office Building in Washington. It brought together Illinois members of Congress, commission members, and other state representatives with high federal officials from the Army Corps of Engineers, the Fish and Wildlife Service, and the Environmental Protection Agency.

"All who attended appeared determined to cooperate to achieve a projected dredging program as approved and funded by the state of Illinois," said McClory.

THE MORE THAN \$900,000 appropriated by the Illinois General Assembly, for removing silt from area lakes, hinges on the results of the meetings.

Making the trip to Washington were members of the state's Chain of Lakes-Fox River Commission: William E.

Brook of Antioch, chairman; Jerry Murphy of Antioch, executive director; Larry Leonard, state senator from Waukegan and Jack Schaffer, state representative from McHenry.

THEY WERE ACCOMPANIED by four members of the state's water resources commission.

"A meeting will be arranged in Illinois by the Army Corps of Engineers which will involve representatives of the Illinois and Federal Environmental Protection Agencies, the U.S. Fish and Wildlife Service, the Illinois Department of Conservation, the Illinois Division of Water Resources, and the Chain of Lakes-Fox River Commission," McClory said.

"The meeting is expected to resolve any differences and should lead to a dredging program in both Pistakee and Nippersink lakes during this fiscal year," McClory said.

A STATE APPROPRIATION of \$930,000 is due to expire in September.

Earlier, the Chain of Lakes-Fox River Commission had requested a waiver for making an environmental impact statement since extensive state and local studies concerning the environmental aspects of the project have already been performed.

It was pointed out that if an environmental impact statement must be prepared, construction would probably be delayed for a year and the state funds would lapse.

"During a typical summer weekend, more than 30,000 boats use these lakes. It is essential that silt should be cleared from certain areas. Delays in federal approval after years of study have imperiled these carefully planned projects," Mr. Brook said.

## How electricity is helping the Ball Corporation preserve scarce fuels.

The Ball Corporation is famous for making glass jars that preserve just about anything. From apples to strawberries. Their glassmaking, however, burns a lot of scarce fuels. So when Ball decided to switch part of their production to electricity, they were helping all of us.

That's because electricity is plentiful here in northern Illinois. Ninety percent of it comes from coal and uranium—two fuels in good supply.

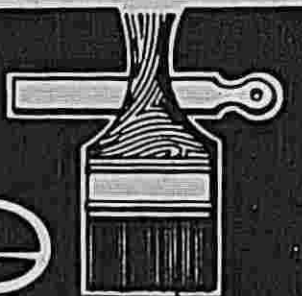

So whenever you, or a company like Ball, use electricity instead of a scarce fuel, you're actually conserving that fuel for transportation and other vital energy needs.

And that knowledge is as sweet as strawberry preserves.

# Sequoits 2nd in sectional

Antioch High School made its best showing ever in the state tournament, reaching the finals of the Rockford Sectional last week before suffering defeat.

Coach Roger Andrews' Sequoits, after winning their conference and regional titles, beat McHenry 51-46 in the sectional semifinals but lost to Rockford East, 70-53, in the championship game.

It was Antioch's first loss after a school-record 16 straight wins. It left the Sequoits with a 21-6 record for the season. They were undefeated in their conference.

AGAINST McHENRY, THE Sequoits jumped to a 21-8 lead but, after that, "just couldn't find the smooth groove again," in the words of Coach Andrews. "But they didn't fold. They kept their poise and won the game."

Rockford East proved to be too quick and have a little too much muscle for the Sequoits. Yet, the 70-53 score was no indication of how closely the game was played.

During the first half the teams traded baskets in a fine display of high school basketball. Rockford led 35-34.

IN THE SECOND HALF Antioch's shooting tapered off and the Sequoits hit on only seven of 25 field goal attempts, falling behind 59-52 with only 1:36 remaining.

Antioch pressed and gambled, only to be outscored 11-1 in the final stretch.

The game featured the individual scoring of Bill Dubek, Antioch's sharpshooter who made 13 of 28 field goal attempts and finished with 27 points.

Meanwhile, Rockford's John Griffin poured in 35 points and Coach Andrews said he reminded fans of Antioch's former all-state star, Tyrone Walls.

"IT'S BEEN A GREAT season," Coach Andrews said. "I am really proud of this team and its accomplishments. Also, I would like to thank the loyal Antioch fans for their support - they have been great."

## Rick Gossman wins final cage contest

Who figured Rockford East would beat Antioch by 17 points in the sectional championship game?

As far as we know, only Rick Gossman. That was his prediction in the final Antioch News basketball contest of the season. So, Rick will be sent first prize: a \$15 gift certificate from Andre's Steak House in Richmond.

Second prize, a \$10 gift certificate from Stanley's Men's Fashions, was won by Diane Mullin, who picked Rockford by 12 points.

Third prize, \$5 in cash from the Thelen Sand and Gravel Company, will be sent to Wayne Soder, who picked Rockford East by 11 points.

The previous week, when Antioch beat Grayslake by 30 points for the regional championship, George Schoenleben was the winner. He forecast the exact point spread, 30 points.

ANTIOCH'S JOHN EDER (10) goes up for two points in last Wednesday's victory over McHenry in the sectional semifinals at Rockford. At left (No. 40) is Roger Korjenek of Antioch. (Photo by Andy Dugensek.)

## Program for unwed moms explained

The visit of Sister De Pazzi of the St. Therese Hospital STAFFER Program last week was a profitable evening for members of St. Peter's Women's Club.

The STAFFER program also benefitted. Sister De Pazzi took home several boxes of new and used baby items for the young women in the program and their babies.

The club members took home the knowledge that there is a positive alternative to abortion for unwed mothers over 18 and married women who find themselves pregnant with an unwanted child.

The women are given employment in the hospital during their pregnancy, making them able to pre-pay their hospital and doctor expenses as well as the cost of their room and board in the nurses' residence.

St. Peter's Women's Club will be responsible for preparing the church for Easter. The cleaning of the church will take place on Tuesday, Mar. 21, from 9 a.m. until 3 p.m. under the direction of Margaret Belongia.

"We need volunteers to help with this work, both men and women if possible," she said. "If you can give us an hour or more on this day, please come to the church."

"Cleaning rags are also needed, so bring them if you can."

Americans on the average spend 22.3 cents of every dollar on food, alcohol and tobacco.

## Why Pay More Than Necessary When You Finance Your Next Car? It's too bad, but most people do.

The reason: banks, finance companies, and most other lenders typically calculate interest in advance when you sign up for the loan. So, you pay interest on the entire amount you finance, regardless of how quickly you pay it back.

But with our revolutionary new Simple Interest Loan, interest is calculated daily and only on your outstanding balance. This means you can save significantly if you pre-pay or pay off the loan early.

Let us make your hard-earned money work harder. Ask us about our Simple Interest Loan.
